

**REMARKS**

Applicants thank the Examiner for the thorough consideration given the present application. Claims 11-14 are pending in the present application. Claim 11 is an independent claim. Claims 11-14 are amended by this response.

**Allowable Subject Matter**

Applicants thank the Examiner for noting that claim 11 would be allowable if re-written into independent format. Applicants have re-written claim 11 into independent form as suggested by the Examiner and respectfully request allowance of this claim and all claims depending therefrom.

**Rejections Under 35 U.S.C. § 102(e)**

Claims 8, 10, and 13 stand rejected under 35 U.S.C. § 102(e) as being anticipated by U.S. Patent No. 6,962,133 to Ogawa (hereafter "Ogawa"). Claims 8 and 10 are cancelled, and claim 13 now depends from claim 11, which the Office Action indicated as allowable. This rejection is therefore moot.

**Rejections Under 35 U.S.C. § 103(a)**

Claims 9, 12, and 14 stand rejected under 35 U.S.C. § 103(a) as being unpatentable over Ogawa. Claim 9 is cancelled and claims 12 and 14 now depend from claim 11, which the Office Action indicated as allowable. This rejection is therefore moot.

**Conclusion**

Since the remaining patents cited by the Examiner have not been utilized to reject the claims, but to merely show the state of the art, no comment need be made with respect thereto.

In view of the above amendment, Applicants believe the pending application is in condition for allowance. Thus, the Examiner is respectfully requested to reconsider the outstanding rejections and issue a Notice of Allowance in the present application.

However, should the Examiner believe that any outstanding matters remain in the present application, the Examiner is requested to contact Applicants' representative, Naphtali Y. Matlis (Reg. No. 61,592) at the telephone number of the undersigned in order to discuss the application and expedite prosecution.

Dated: October 2, 2008

Respectfully submitted,
